

## Coulson Ice Blast Announces Partnership with Distributor MFC Corporation

*MFC to act as distributor of Coulson Ice Blast Products, as well as operating fleet of IceStorm<sup>90</sup>™  
Machines*

**Talinn, Estonia, [August 14, 2017]** Coulson Ice Blast is proud to announce a partnership with MFC corporation, who will be the authorized distributor of Coulson Ice Blast products for the territories of Estonia, Latvia, Lithuania, Norway, Sweden, Finland, and Poland. Based in Estonia, with seven European locations, MFC Corporation will not only distribute Coulson Ice Blast's IceStorm90™, but will operate their own fleet of machines, in addition to offering maintenance and repair services to our clients.

MFC Corporation's main businesses areas are: Industrial, Shipping, Off-Shore, and Industrial Cleaning Services. "MFC is proud to partner with Coulson Ice Blast. We believe Coulson's Ice Blasting technology is the best industrial cleaning tool on the market." Paavo Leego, CEO of MFC Corporation stated during the official contract signing.
